GROTTE DI CASTELLANA TOUR & HELL IN THE CAVE SHOW

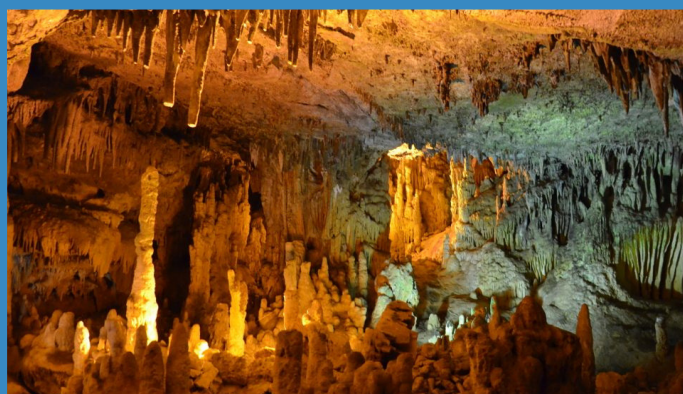

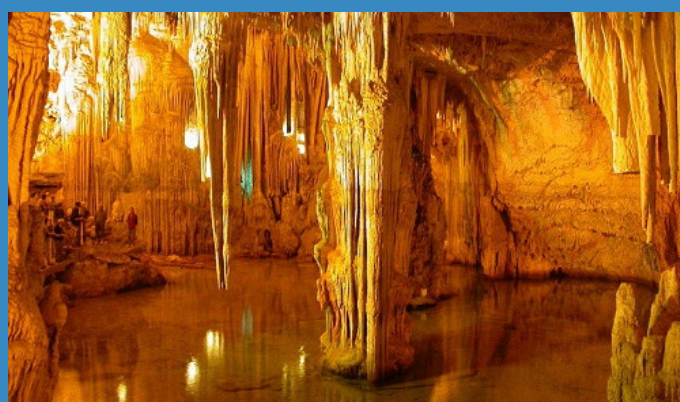

WORLD DANCE MOVEMENT ITALY

GROTTE DI CASTELLANA

These spectacular limestone caves are Italy's longest natural subterranean network. The interlinked galleries, first discovered in 1938, contain an incredible range of underground landscapes, with extraordinary stalactite and stalagmite formations – look out for the jellyfish, the bacon and the stocking. The highlight is the Grotta Bianca (White Grotto), an eerie alabaster cavern hung with stiletto-thin stalactites.

Desmond Richardson

Federica Angelozzi & Sabatino D'Eustachio

HELL IN THE CAVE

Hell in the Cave is one of the greatest underground theatrical shows in the world. Inspired by Dante's Inferno, the performance takes place at Grave, the biggest Grotte di Castellana's cave. All of the 9 circles of Dante's Inferno are represented at the same time.

A fascintaing show that you will rember for the rest of your life!
