ENERGY. ARTISTRY. EXPLORATION

Dancers of all levels engage in creation and critical thinking, opening them up to the kaleidoscope of possibilities within the art of movement and growing into a deeper understanding of their moving bodies. Participants develop into well-rounded, aesthetically-aware dance students who explore and create within a community that is engaged artistically and academically by:

- Top industry professionals
- Professional choreographers
- Distinguished faculty experts

Participation grants are awarded to members of the Performing Arts Program, with additional skill- based scholarship opportunities available.

FORSTER PHYSICAL THERAPY

For 4 decades, Robert Forster & his team have been my 'Secret Weapon' to prevent and treat dance injuries for myself, my students and my colleagues. His knowledge and healing abilities are like no other!

*- Michèle Assaf, Artistic Director
World Dance Movement*

"Bob is a miracle worker! Within 1 session with him I could feel the results. In that session he was able to pinpoint the main cause of so much of the pain I have been having for over 20 years and started a program to resolve the issue. I am forever grateful to Bob and the entire Forster team!"

- Brian Friedman, Choreographer

I've been going to Forster PT to rehab my left hip after hip replacement surgery. No fooling around at FPT. Bob is 100% committed to getting me back to 100%! His knowledge and care are unparalleled.

*- Julie McDonald
McDonaldSelznick Associates*

As a professional dancer I felt confident going to Bob and his incredible team knowing I'm getting the most professional and efficient treatment for my injury.

- Noa Neve, Singer, Dancer, Actress

Each WDM Competition Participant will receive the Complete Forster Injury Prevention Video link as a gift!

WHO WE ARE?

World Dance Movement – The International Festival builds connections between dance, aerial arts and diverse cultures that inspire and transform artists from around the world. Our focus is to present artists with an opportunity to receive one-on-one training and attention in a nurturing, supportive atmosphere. The curriculum challenges dancers & aerialists of all levels through a comprehensive study-vacation model.

Join the WDM Italy International Aerial Competition & perform in a beautiful Italian piazza!
